CC:

Mr. Monaco:

I have reviewed the Planning Commission Application (February 2025 Meeting) for the above referenced project located at 14011 Brookpark Road and offer the following comments:

1. Verify the Plat has been pre-approved by the County.
2. No objections to the Lot Split/Consolidation.
3. Verify with Fire Department that one vehicular point of ingress/egress on to West 140<sup>th</sup> Street is adequate to service the site.
4. Verify the additional vehicles utilizing West 140<sup>th</sup> Street does not warrant adjustments in the traffic signal timing at the Brookpark Road intersection.
5. No additional impervious area is being proposed.
6. Proposed earth disturbed area is minimal.
7. No objections to the project.

Please advise me if you have any questions or require additional information.
