# **CITY OF BROOK PARK INCOME TAX INSTRUCTIONS**

#### WHO MUST FILE:

**Every Resident,** full or partial year, 18 years of age and older, must file a tax return, whether or not taxes are due, unless that resident is retired with no earned income. See definition of earned income in the **RETIREE** section below.

**Every Business Entity,** whether a resident or non-resident, who conducts a business in Brook Park must file a return and pay any tax on that profit. If you have a net loss you are still required to file a return. ("Business" includes rental income.)

**Individuals,** earning income in Brook Park not subject to the withholding of Brook Park income tax must also file a return.

If you received a letter of need to file from this office be sure to **file, even** if you had no taxable income for the year. If you are not subject to Brook Park tax complete the exemption certificate on page 2 of the return.

**RETIREES:** Retirees who earn wages, operate a business, own rental property or earn other income, are required to file. If your ONLY income source is retirement income (i.e. SSI, other pensions, interest, dividends, IRA and 401k distributions), complete the exemption certificate on page 2 of the return.

**UNDER 18:** If a person is under 18 the entire year, was employed in the city of Brook Park and had Brook Park taxes withheld, a refund will be issued after receiving a signed tax return with W-2s/W-2Gs and a copy of driver's license or birth certificate attached for verification. Please file refund request form found on our website www.cityofbrookpark.com/tax-department.

**FILING STATUS:** Taxpayers who prepare their federal and state tax returns using the "married filing separate" status to lower their overall tax liability may still file a joint return for the City of Brook Park. Filing a joint return will neither increase nor decrease your City of Brook Park tax liability. Husband and wife may file joint returns, in which case both must sign the return and submit their social security numbers.

WHEN TO FILE: Taxpayers who end their taxable year on December 31 must file on or before the IRS due date. Taxpayers on a fiscal year must file on or before the 15th day of the fourth month after the close of that fiscal year or other period.

**EXTENSIONS:** If the deadline to file cannot be met, an automatic extension will be granted if taxpayer received an extension on his federal return. If an extension was not requested or received for federal purposes, a taxpayer may still request an extension to file his city tax by sending a request to the Tax Office by the unextended due date of the return. Extension Forms are located on our website. An extension of time to file is not an extension of time to pay. Payment of any estimated tax due should be sent in by the unextended due date of the return to avoid a late payment penalty. Although not required by state law, a courtesy copy of the extension by the due date of the return when filed or the return will be considered late and a late filing penalty applied.

When the actual amount you earned while living in Brook Park cannot be determined, you may break down your earnings by the number of months employed at the job arriving at a monthly earnings figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income you must also pro-rate your city tax that was withheld on the same income. Attach a worksheet explaining your calculations.

**DECLARATION OF ESTIMATED TAX FOR THE COMING YEAR:** Taxpayers who expect to receive taxable income for the coming year in which Brook Park tax is not withheld must declare estimated tax payments, if amount owed is \$200 or more, (25% of full amount must be paid at the time of filing the Annual Return). The estimated tax payments due June 15th, September 15th, and December 15 (businesses) or January 15 (individuals) will be billed.

**PENALTY AND INTEREST:** Except in those cases where an extension was filed, a late fee of \$25.00 per late month or fraction of a month up to a maximum of \$150.00 shall be due on returns filed after the due date, even when no tax is due. A late payment penalty of 15% of any balance due that remains unpaid after the due date will also be charged unless estimated tax payments of at least 90% of the entire tax liability has been paid by Dec. 15th (businesses) or Jan. 15th (residents) of the period covered by the return. Interest will be charged from the original due date of the return until the date of actual payment. (See city website for rates). See ORC section 718.27.

The portion of a net operating loss, based on income taxable under the ordinance allocable to Brook Park may be applied against the portion of the profit of succeeding years until exhausted, but in no event for more than five (5) years. An NOL schedule must accompany this return detailing each year's loss and subsequent carryforward.

The amended return is required within three (3) months of the final determination of any changed tax liability resulting from the Federal audit, judicial decision, or other circumstances.
